MINUTES OF THE MEETING OF THE BOARD OF DIRECTORS OF THE LAKE VALLEY FIRE PROTECTION DISTRICT OF EL DORADO COUNTY February 13, 2025

The Board of Directors of the Lake Valley Fire Protection District of El Dorado County met in a regular meeting on February 13, 2025 at the fire station in Meyers, California.

ROLL CALL

Director Rice called the meeting to order at 4:00 pm. There were present the following directors: Rice, Cain and Kaelin. Director Hogan was absent. Fire Chief Stephen, Lake Valley and South Lake Tahoe fire personnel and members of the public were present.

AGENDA

A motion was made by Director Cain and seconded by Director Kaelin to approve the agenda of February 13, 2025. The motion passed unanimously.

MINUTES

A motion was made by Director Cain and seconded by Director Kaelin to approve the minutes for the meeting of January 9, 2024. The motion passed unanimously.

PUBLIC COMMENTS

South Lake Tahoe Fire personnel expressed their appreciation for the promotion of Battalion Chief Martin Goldberg. Director Rice conveyed his appreciation for SLT Fire and LVFPD working so well together.

COMMUNICATIONS

Chief Stephen gave the directors a copy of Steve Teshara's report.

OLD BUSINESS

JPA Update

Chief Stephen shared that the final walk through for the new building is next Friday. He also stated that four JPA employees have recently been hired: two by SLT Fire and two by LVFPD.

NEW BUSINESS

A. Battalion Chief Pinning

Chief Stephen shared about Martin Goldberg's history with LVFPD before presenting him with the Battalion Chief pin. Battalion Chief Goldberg was pinned by his wife, Karen.

There was a brief break to celebrate Battalion Chief Goldberg

B. Mitigation Fees

Chief Stephen presented the board with a contract with Ridgeline for \$15,950. LFVPD currently charges a mitigation fee of \$0.98/sq.ft. while the average is \$3.00/sq.ft. Director Rice would like construction personnel to be forewarned of any increase and would like a meeting with the community once the report is completed. Director Cain made a motion to accept the contract and Director Kaelin seconded the motion. The motion passed unanimously.

C. Budget Amendment

Chief Stephen gave the directors the amended budget and pointed out that non-resident calls were a \$40,000 revenue and that there should be more money coming from the CTC grant. Director Kaelin made a motion to approve the budget amendment and Director Cain seconded the motion. It passed unanimously.

D. Board Candidate Interviews

The board had received a letter of intent and resume from Jessica Henderson. After asking the candidate several questions the board agreed that Ms. Henderson would be a good addition to the LFVPD board of directors.

REPORTS

A. Firefighters Associations

Nothing to report

B. Lake Valley Fire Protection District Chief's Report

Chief Stephen attended the recent Board of Supervisors meeting in Placerville on Tuesday. He talked about the TOT funds and stated the county is evaluating if they will be distributed to outside agencies due to a reduced revenue this year. They will be developing a budget proposal for the April meeting. He highlighted that the Lake Tahoe area of the county generates two thirds of the TOT funds and 33% of our calls are for non-residents. He hopes we are able to make a request for assistance this year from discretionary TOT funds as it makes a big difference in operations without impacting the residents. The Board of Supervisors are prioritizing public safety of the outside agencies if there is enough funding.

C. Battalion Chiefs

- Operations
 No additional report
- PreventionNo additional report
- TrainingNo additional report
- Fuels Division
 Battalion Chief Goldberg reported that they are requesting \$1.5 million
 from the Conservancy for fuel reduction work on El Dorado County lots,
 around our local schools and Bijou Community Park. There should also be
 \$250,000 to work on fuel reduction on Conservancy lots and a
 stewardship program where neighbors can clear Conservancy lots.

Review and Approve District Year to Date Income and Expense Report for July 1, 2024 to December 31, 2024

A motion was made by Director Kaelin and seconded by Director Cain to approve the District year-to-date Income and Expense report for July 1, 2024 to December 31, 2024. The motion passed unanimously.

APPROVE DISTRICT PAYROLL

A motion was made by Director Kaelin and seconded by Director Cain to approve District payroll for pay period 2, January 17, 2025 for \$202,971.28 and pay period 3, January 31, 2025 for \$265,685.99. The motion passed unanimously.

PAYMENT OF THE BILLS

A motion was made by Director Kaelin and seconded by Director Cain to approve the payment of the bills for January 14, 2025 for \$72,241.88 and February 11, 2025 for \$165,245.43. The motion passed unanimously.

ADJOURNMENT

The meeting was adjourned at 5:09 pm.

Respectfully submitted;

Re: March 2025 Fire Chief's Report

It is that time of year we are looking at logistical needs for next year, preparing for the next FY budget and updating programs before the fire season. We have many projects happening right now and hope to have them completed before summer. We have about a quarter left of this FY with everything tracking well and plan to start finalizing the next budget in a couple months. We are all looking forward to increasing staffing to Station 6 by the end of the month if we have full staffing, this is a huge accomplishment and improved service to the community. I am excited to see our fuels division take the next step with increased projects happening on the south shore with progress towards improved evacuation routes, County and CTC lot treatment, critical infrastructure treatment, temporary refuge area capacity building, home hardening education and increasing defensible space. Other projects happening within the district are Wages & Benefits manual update, Development fees/Impact fee update, FAIRA facilities and equipment insurance update, Lexipol policy & procedures building, Strategic plan update, Insurance Services Office (ISO) preparation for summer evaluation and Transient Occupancy Tax request for assistance report due in two weeks.

APPARATUS AND EQUIPMENT:

Andrew Sessions and Wes Long were able to travel to Rosenbauer to inspect both Type I engines in various stages of production or repair. Both engines are on schedule. E7 should be completed and shipped back to Burtons for final inspection in a few weeks and put back into service immediately. The production Type I should be completed in June 2025. Three Ford utility pick up trucks have been ordered, partially paid for and are near completion.

COMMUNICATIONS AND DISPATCH:

Captain Nerdahl has been working to update our Angora and Echo repeaters. The hardware has been approved and purchased and is awaiting installation.

WORKERS COMP/LONG TERM DISABILITY:

In February we had 9 total days of lost work by one employee for a long term workers comp injury.

PROMOTIONAL EXAMS: The District has made two conditional job offers both of which were accepted. We are conducting background, physical and psychiatric evaluations. Orientation for both employees will start March 10th and will begin scheduling the following week. We will be holding another round of entry level hiring/testing March 3-7 for Firefighter EMT's.

Emergency Medical Services:

Captain Hagenbach has adopted the role of the Districts EMS Captain. This is a new role that has been being developed for a little over a year. Please see his attached EMS report.

Re: Wildfire and Fuels Division Staff Report

Recommendations:

It is recommended the Board read and file this staff report.

General Update

Interviews are almost complete for chipper crew leader, chipper crewmember and defensible space inspector. We have several strong candidates and will be making offers and sending hiring packets out this month. Project planning and permitting is moving along at warp speed in anticipation of this field season.

Highlights for the Month

• We attended the Tahoe Fire and Fuels Team annual retreat in Virginia City. The main take away, we should celebrate our many successes and prepare for the challenge facing the team. Two technology firms, FireAside and Vibrant Planet, presented their findings on community risk reduction. Data from our defensible space program is showing gaps in our outreach and connection with homeowners. We need to encourage all residents to comply with defensible space criteria or risk continued loss of our homeowners insurance.

- Staff applied for and will likely receive \$56,006.53 in grant funding from the
 Tahoe Fund for a mini skid steer with log grapple and dump trailer to transport
 the equipment and to haul away product on fuel reduction projects. Funding will
 reduce piles burning and increase forest product utilization. We will be coming to
 the BOD for final approval and authorization.
- Staff applied for and will likely receive \$1,425,960 in grant funding from the California Tahoe Conservancy (CTC) for fuel reduction on Lake Tahoe Unified School District, City of South Lake Tahoe, and El Dorado County property. CTC is drafting the agreement. We hope to bring the final agreement to the BOD in May.
